AMEND Senate Bill No. 1748*

House Bill No. 1285

by inserting the following as a new, appropriately designated subsection to precede Section 1, subsection (c) and by redesignating subsection (c) accordingly:

() Notwithstanding anything in this section to the contrary, a restriction on an employed health care provider's right to practice his or her profession upon termination or conclusion of the employment relationship shall not be construed to prohibit a health care provider from retaining or obtaining hospital privileges, if applicable, at any hospital within the geographic area of the restriction.
